

YOUR INVITATION TO BARCLAY SIXTH FORM

Our Sixth Form has a strong identity with a newly resourced base in the Technology block in the run up to building works for our new Sixth Form Centre.

Sixth Form will enable you to become an independent adult and prepare you for life at university or work.

You will be given superb support and advice to help you make informed choices regarding your options for the future. You will be expected to aim high, whether it be for university or an apprenticeship.

There is an excellent work ethic and team spirit within our Sixth Form where students value their learning and contribute across the school as mentors and ambassadors with younger students.

Stevenage Sixth

At Barclay we are part of Stevenage Sixth, the largest sixth form consortium in Stevenage. We are able to meet the individual needs of students across the campuses of Barclay, Barnwell, Marriotts and Nobel Schools.

University

91% of our UCAS applicants successfully attained a place at university for 2016 entry.

Our Courses

We are offering both Level 2 & Level 3 courses over a 2 or 3 year programme .

Please see application form for course details.

**Application Deadline
Friday 10 March**

Our Head Students

"Barclay Sixth form gave me the opportunity to not only study the subjects I love, but to explore them and help me decide my future" - Charlie

"Barclay Sixth Form allowed me to discover my potential and exceed to the best of my ability" - Kiranpreet

"The Sixth Form offers a productive moderation between independent and assisted study which provided me with the support and freedom to pursue my passions" - Jade

Independent Study.
