Charging and Remissions Policy

Governor committee:	Full Governors	May 2015
Updated by:		June 2017
Policy due for review:		January 2018

THE BARCLAY SCHOOL

Purpose

We believe that: all our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra curricular) independent of their parents' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

What was consulted?

A Guide to the Law for School Governors May 2014 and Charging for School Activities 2014 from the Department for Education have informed the policy.

Relationship to other school policies

The policy complements the school's equality policy, curriculum policy, educational visits policy and the teaching and learning policy.

Roles and responsibilities of headteacher, staff and governors

The headteacher, staff and governors will ensure that the following applies:

1. No charges will be made for:

- education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at school or part of religious education
- tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum or examination syllabus
- education provided on any trip that takes place during school hours
- education provided on any trip that takes place outside school hours if it is part of the National Curriculum, or part of religious education
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip
- transport provided in connection with an educational trip
- Entry for a prescribed public examination, if the pupil has been prepared for it at the school

THE BARCLAY SCHOOL

- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school (however, if a pupil fails without good reason to meet any examination requirement for a syllabus, a charge will be made)

Activities for which charges may be made:

a) Activities outside school hours

Non-residential activities (other than those listed in 1 above), which take place outside school hours, but only if the majority of the time, spent on that activity takes place outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours).

b) Residential activities

Board and lodging costs (but only those costs) of residential trips deemed to take place during school time. However, pupils whose parents are in receipt of certain benefits (see point 3 below) may not be charged for board and lodging costs. Residential trips deemed to take place outside school time (other than for those activities listed in 1 above).

Is a residential trip in or out of school time?

If the number of school sessions on a residential trip is equal to or greater than 50 percent of the number of half days spent on the trip it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into two sessions. A “halfday” means any period of 12 hours ending with noon or midnight on any day.

When any trip is arranged parents will be notified of the policy for allocating places.

c) Music tuition

Music tuition (including singing) for individuals or groups of an appropriate size

d) Voluntary Payments

Some activities cannot be funded without voluntary contributions and the school will indicate this when the trip letter is sent out. Voluntary payments will be sought for activities such as day trips which are not part of the National Curriculum / public examination study. However, payment will be genuinely voluntary and children shall not be excluded because their parents /carers unwilling or unable to pay. However it must be clear that visits **may not** go ahead if insufficient voluntary funds are raised.

Examples of activities for which contributions will be invited:

THE BARCLAY SCHOOL

Visits to or by a theatre or dance company

Outdoor adventure activities

Sporting activities that require transport

Visits to theme parks

Where an activity is proposed, it shall be offered to a distinct group such as a subject, class or year group not only to those showing an ability or willingness to pay. Some help may be available to students who qualify under Section 3 below. Charges will be made as indicated below. Parental agreement will be obtained before a charge is made.

Activities which can be charged for (with the exception of board and lodging for residential trips) are regarded as "optional extras". Charges will not exceed the actual cost (per pupil) of provision.
